Volunteering and working is something I'm passionate about, and I want to make a positive impact on the environment. Extroverted and enjoys speaking, problem solving, and working with others. I've always been interested in books and aspired to be a professional in this field. I am committed to working and assisting youngsters in the long run by working hard to ensure their success. I am attending first year at University Of People, which is an online university. I wish to gain work experience while I am learning.
